

Time to Clown Around!

A lot of creative work goes into being a clown. Each clown has a special personality. Even the design of a clown's makeup is unique. In fact, there is an unwritten rule between clowns known as *clown's honor*. It says that no clown can copy another clown's makeup, clothes, or act.

If you were a clown, how would you design your clown face? What would your costume look like? Color in the clown below the way you would like to look as a clown. Write your clown name and what you do to get a laugh!

Laugh out loud!
That's what clowns make us do! Talk about a fun job! Laughing isn't just fun — it's good for us, too!
